

BLACKHEATH AREA MEN'S SHED

Posted on 2 November 2012 by bancadmin

Blackheath Area Men's Shed is up and running! There has been an overwhelming response to the Shed. 30 members have signed up already.

They need donations of furniture, building materials, tools and machinery. They will collect the donations if you call and arrange the collection. They are also looking for projects and are offering a service where people can come to the shed with items and they will fix for them for a donation.

They are also looking for people who would like to hold workshops for our members, especially in Holistic Health & Management.

BAMS is open Monday to Friday 9.30am to 3.30pm & Saturday 8.00am to 12 midday.

There will be a healthy BBQ each Saturday from 10.30am for members.
